

Fees for Möbelfakta READY – product category: Other components

The following fees apply to the Licensee's right to use Möbelfakta READY according to the License Agreement on the right to use Möbelfakta READY. All fees are stated in Swedish kronor and exclude VAT.

1. Application fee, payable for new companies that want to start declaring products with Möbelfakta:

New company	5 000 SEK
-------------	-----------

2. Declaration fee

Fee per approved declaration / product group	15 000 SEK
--	------------

3. Annual licence fee*, per calendar year:

License incl 1 declaration/product group*	40 000 SEK
---	------------

*If the company has two or more product groups declared, an annual fee will be added per declared product group:

Additional annual fee per product group	5 000 SEK
---	-----------

4. Other fees:

Fee renewal of previously approved declaration	15 000 SEK
---	------------

5. Audits:

Post-audit completion and deviation management (on-site audit or document review). If the Licensee does not submit the requested documentation collected at the specified times or if the documentation is deficient and needs to be supplemented:

Charged on an ongoing basis	SEK 1500 per hour excl. VAT.
-----------------------------	------------------------------

Fee for on-site inspections:

Nordic	SEK 5 000 per visit
Outside the Nordic region but within Europe	SEK 10 000 per visit
Outside Europe	SEK 30 000 per visit

The annual fee, point 3 above, is adjusted depending on the date of approved review:

1/1 – 31/3: Full annual fee

1/4 – 30/6: 75 % of the annual fee

1/7 – 30/9: 50% of the annual fee

1/10 – 31/12: 25% of the annual fee

Prices will be adjusted for the following year according to SCB:s Services Producer Price Index (TPI). The new fees are based on the annual change for Q3 of the current year compared with the previous year. Prices will be adjusted starting 2025-01-01. In the event of differences between the Swedish and English versions of Fees for Möbelfakta, the Swedish version applies before the English version.
