# Logo

Downlod the logo on our webpage

Möbelfakta's logo is a representative of our brand and our work. It is our signature and our seal of quality. It consists of a symbol and the word Möbelfakta. The symbol is made up of three triangles that represent Möbelfakta's three requirements; Quality, Environment and Social Responsibility. Together, the three triangles form a stylized M.

The positive (dark) version of the logo is intended for use on a white or light background.

The negative (white) version is intended for use on a black or dark background, or over photos.

Place the logo left-aligned. Use the specified margins and set the logo in black or white. Always use the logo in its entirety.

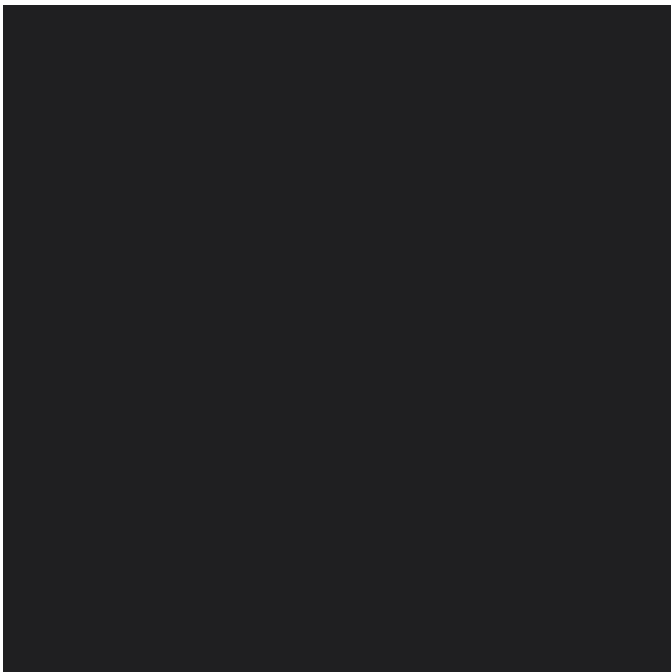

The logo must be surrounded by a free space corresponding to the height of the symbol..

# Colours

Möbelfakta's color palette consists primarily of various tones of turquoise and green. There is also a black for text, and two neutral, light colors used as background colors.

# Marketing manual

As a manufacturer of certified products, you have the right to use the Möbelfakta logo in your marketing. If you have any questions about using the trademark, please contact us at [info@mobelfakta.se](mailto:info@mobelfakta.se)

See also the license terms (section 6) for information about the licensee's marketing and information obligations.

Guidelines for marketing with Möbelfakta:

- Use the Möbelfakta brand only for approved products and link the product to the declaration number.
- Marketing must not give the impression that it applies to other products or parts of the business that are not licensed.
- During the license period, Möbelfakta may be used in product documentation and in digital channels, but only in direct connection with registered products.
